Date	Meeting/Event
Jan 12-15, 2022	WNA Working Group Meetings **Location** Virtual **Sponsor** WNA **Contact** Ana Rodriguez **Description** Due to the new travel restrictions to the UK brought about by the arrival of the Omicron variant, WNA elected not to hold physical meetings in January in London. The meetings will still be held, but in full virtual mode to allow members to share best practices, conduct analysis, and develop consolidated positions on economic, safety, and environmental issues. Several Groups act as the interface for industry at standard and policy-setting organisations, such as the International Atomic Energy Agency (IAEA), the International Commission for Radiological Protection (ICRP), and the Nuclear Energy Agency (NEA) of the OECD. Each Group is chaired by an expert from a member company, and has a mentor assigned to it from the Board. Administrative and technical support is provided by the Secretariat.

Jan 26, 2022

NEI Nuclear Fuel Supply Forum

Location
Grand Hyatt Washington, D.C.

Sponsor
NEI

Contact
Denise Bell

Description
NEI's half-day Nuclear Fuel Supply Forum allows speakers from key government agencies and organizations to discuss the direction of the markets and share the latest insights on the future of the nuclear fuel industry.

Feb 23-24, 2022

Nuclear Decommissioning & Waste Management Summit

Location
Hilton London Tower Bridge, London, UK

Sponsor
Active Communications International (ACI)

Contact
Cheryl Williams

Description
ACI’s 9th Nuclear Decommissioning and Waste Management Summit will be taking place in London, UK, on February 23-24, 2022. The two-day event will bring together senior executives from the key industry stakeholders from Energy Providers, Plant Owners & Operators, Industry Consultants & Experts, Lawyers, Purchasing and Procurement Management Professionals, Nuclear Regulators, Nuclear Technology Companies, Industry Investors, Asset Management Companies, Nuclear Engineers and Safety Inspectors, Decommissioning Managers, Waste Management Companies, Governmental representatives, Radiation and health protection agencies, Packaging & Transportation Officials, Academic Institutions, Research Organisations and Market Analysts.

Mar 1-2, 2022

NWTRB Winter Board Meeting – Virtual

Location
Virtual

Sponsor
U.S. Nuclear Waste Technical Review Board

Description
The U.S. Nuclear Waste Technical Review Board will hold a virtual public meeting on Tuesday, March 1, 2022, and Wednesday, March 2, 2022, to review information on the U.S. Department of Energy’s (DOE) activities related to spent nuclear fuel (SNF) and high-level radioactive waste (HLW). Specifically, the meeting will cover research and development activities on SNF and HLW storage, transportation, non-site-specific disposal, DOE’s integrated waste management system, and its consent-based siting process to identify federal interim storage facilities.

Mar 6-10, 2022

WM2022 Conference

Location

Hyatt Regency Phoenix, AZ

Sponsor

WM Symposia

Description

The annual Waste Management (WM) Conference, presented by WM Symposia (WMS), attracts thousands of registrants from around the world and is widely regarded as the premier international conference for the management of radioactive material and related topics. This year's meeting will be held at the Hyatt Regency Phoenix, in Phoenix, Arizona, from March 6-10, 2022. This truly is a unique opportunity for the industry to network, learn, and stay on top of upcoming business opportunities from the several procurement and contracting sessions offered.

Mar 8-10, 2022

34th Regulatory Information Conference (RIC)

Location

Hybrid online and Bethesda North Marriott Hotel, Bethesda, MD

Sponsor

U.S. NRC

Description

The 2022 RIC will be a hybrid event held both in-person and online from March 8-10, 2022. The in-person portion will be conducted at the Bethesda North Marriott Hotel and Conference Center, and an online platform will be available for virtual participation. The U.S. Nuclear Regulatory Commission's Annual Regulatory Information Conference (RIC) is the largest public meeting the agency hosts, bringing together nearly 3,000 participants from more than 30 countries representing interested stakeholders from other government agencies, industry, international organizations, and the general public. The RIC is sponsored by the Office of Nuclear Reactor Regulation and the Office of Nuclear Regulatory Research, and offers an open environment in which diverse groups of stakeholders may learn, share, and discuss information on significant and timely nuclear regulatory activities and emergent issues. The RIC offers an illustrious technical program featuring experts from across the agency as well as speakers from industry, academia, and the community. Throughout the conference, attendees may participate in dynamic sessions featuring panelists addressing a broad range of topics of interest.

Apr 12-14, 2022

CNA2022

Location

The Westin Ottawa, Ontario, Canada

Sponsor

CNA

Contact

Maria Libraro

Description

Join the Canadian Nuclear Association (CNA) its CNA2022 Conference and Trade Show at the Westin Ottawa Hotel from February 23-25, 2022. CNA2022 will bring together industry experts to explore and advance nuclear’s role as an essential partner in achieving Canada’s climate targets and reaching Net Zero. Canada has pledged to phase out coal by 2030, reduce greenhouse gas emissions 40% to 45% below 2005 levels by 2030, create a net-zero electricity grid by 2035 and achieve net-zero emissions by 2050. This means that Canada will need to triple the amount of electricity it produces over the next thirty years. To address the climate emergency and meet growing energy demands, we need all available sources of clean energy – including nuclear energy.

Apr 26-27, 2022

World Nuclear Fuel Cycle

Location
IET: Savoy Place, London, England & Virtual

Sponsor
NEI & WNA

Contact
Nima Ashkeboussi

Description
The World Nuclear Fuel Cycle (WNFC) provides companies with cutting-edge information affecting the commercial nuclear fuel cycle, with a focus on enhancing the economic competitiveness of nuclear energy. Leading industry experts will provide information and insights that will help you and your company navigate successfully through the complex and changing fuel marketplace. WNFC also provides many opportunities to network with high-level industry executives. Originally planned to take place in the Netherlands in March, the 2022 event has been moved to London, UK due to travel restrictions to ensure we can provide a valuable in person experience.

May 3-5, 2022

Used Fuel Management Conference

Location
Las Vegas, Nevada

Sponsor
NEI

Contact
Mark Richter

Description
NEI's Used Fuel Management Conference highlights the industry's strategic vision for used fuel, decommissioning, and related topics. The three-day virtual event offers the opportunity for attendees to remain at the forefront of industry technology, regulatory changes, and policy.

May 23-24, 2022

ATOMEXPO 2022

Location
Sirius Art & Science Park, Sochi, Russia

Sponsor
ROSATOM

Contact
Dmitrii Shabinskii

Description
ATOMEXPO 2022 will be held from May 23-24, 2022 in Sochi, Russian Federation. ATOMEXPO International Forum is a major exhibition and business platform for conducting meetings and negotiations between the worldwide leaders of the nuclear power industry. A specialized international exhibition and a congress with the participation of the representatives of international, national, and public organizations, Russian and foreign companies, leading experts in the nuclear power industry will be organized at ATOMEXPO 2022.

May 24-25, 2022

SMR & Advanced Reactor Summit 2022

Location

Atlanta, Georgia & Virtual (Online Expo)

Sponsor

Reuters Events

Contact

Katie Silver

Description

Driven by the increasing need for flexible power generation, and a global transition from a fossil fuel reliant energy system towards net zero emissions, the small modular reactor market is projected to reach $18.8 billion by 2030 - up from $3.5 billion in 2020.

Just at the right time, **Reuters Events: SMR & Advanced Reactor** is back (24 - 25 May, Atlanta). Join over 500 leaders from utilities, investors, regulators & governments, research bodies, construction leaders (& more!) to tackle the core challenges of commercialization and deployment, hear about the latest industry disrupters, and meet and form partnerships with new and existing clients and customers.

Industry leaders from across the globe are gathering for the highly anticipated return of the event, back in-person for the first time since 2019. Make sure you don't miss the opportunity to make those real connections!

Jun 5-7, 2022

WNFM 48th Annual Meeting

Location

DoubleTree Hilton Montreal, Canada

Sponsor

World Nuclear Fuel Market

Contact

Rachel Little

Description

The World Nuclear Fuel Market, an association of about 76 companies, representing around 21 countries, is dedicated to facilitating trade of nuclear materials and increasing the availability of accurate, timely and useful price information to the industry. WNFM organizes and hosts a well-attended annual meeting that provides a forum for the discussion of issues of interest to its members.

Jun 8-9, 2022

Nuclear Power Plants IV. Expo & Summit

Location

Pullman Hotel and Convention Center, Istanbul, Turkey

Sponsor

NIATR

Contact

Meliha Taçgin

Description

The Nuclear Power Plants Expo & Summit (NPPES) is the best way to keep up to date with the latest developments in Turkey’s booming nuclear industry. The NPPES provides speakers and delegates with the opportunity to hear the latest about nuclear power plant projects, plans, products, and solutions while gaining extensive networking time with nuclear industry peers, get the chance to approach senior-level executives from a large number of local and international companies and ensure you stay at the nuclear industry. This year's NPPES meeting takes place at the Pullman Hotel and Convention Center in Istanbul, Turkey from June 8-9, 2022.

Jun 12-16, 2022

2022 ANS Annual Meeting

Location
Anaheim Hilton, Anaheim, California

Sponsor
ANS

Contact
Janet Davis

Description
The theme for this year's ANS 2022 Annual meeting is "The New Outlook." There is palpable excitement in the nuclear community about the future prospects for the harnessed atom. Challenges await, but a new wave of nuclear technology innovation promises to play a larger role in the evolving geopolitical landscape. Now is the perfect time to re-examine how and where nuclear fits in our new world. It is also a great opportunity to meet a new generation of nuclear professionals and build relationships that will last a lifetime.

Jun 20-22, 2022

Nuclear Energy Assembly

Location
Grand Hyatt Washington, D.C.

Sponsor
NEI

Contact
Kelly Bielen

Description
NEI's Nuclear Energy Assembly will bring together leaders throughout the nuclear, energy, and climate communities. The nuclear industry's leading conference is an opportunity for networking with thought leaders, building business connections, gaining inspiration, and learning about recent successes and the promises of tomorrow. Held in conjunction with the North American Young Generation in Nuclear's professional development conference and the Nuclear Suppliers Expo, NEA is the gathering place for the best and brightest leaders from all areas of the nuclear energy industry and related fields.

Jun 27-30, 2022

UxC Nuclear Fuel Training Seminar - Atlanta

Location
InterContinental Buckhead, Atlanta, GA

Sponsor
UxC, LLC

Contact
Eric Webb

Description
Following over a decade of successful seminars focused on utility nuclear fuel procurement, UxC expanded its Nuclear Fuel Training Seminar in 2016. All participants in the nuclear fuel markets require up-to-date knowledge and unbiased insights in order to formulate effective strategies either for procurement, sales efforts, investment activities, or other related objectives. This seminar is designed to assist you in achieving these goals by providing an advanced understanding of factors affecting nuclear fuel demand, market price formation, supply source availability, supplier motivations, and utility contracting practices.

Jul 6-8, 2022

GLOBAL 2022

Location

Reims Congress Center, Reims, France

Sponsor

French Nuclear Society (Sfen)

Description

The French Nuclear Society (Sfen) is hosting its GLOBAL 2022 nuclear fuel cycle conference in a three-day event in Reims, France in early July 2022. GLOBAL 2022 seeks to provide an outstanding forum for high-level experts and stakeholders from around the world, to share recent technological advances, developments of new markets and applications that lead to enhancing nuclear power's position as well as its public support. The complete view of the nuclear fuel cycle and its evolution, from mining to recycling up to final disposal of waste will be discussed in order to shed light on the future of nuclear power.

Jul 19, 2022

NEI Nuclear Fuel Supply Forum

Location

Grand Hyatt Washington, Washington, D.C., USA

Sponsor

NEI

Contact

Denise Bell

Description

NEI's half-day Nuclear Fuel Supply Forum allows speakers from key government agencies and organizations to discuss the direction of the markets and share the latest insights on the future of the nuclear fuel industry.

Jul 25-27, 2022

Women in Nuclear

Location

Richmond, VA

Sponsor

NEI

Contact

Kaitlin Rekola

Description

This two-day virtual event will include dialogue on diversity, equity, and inclusion, space applications from government and private sector speakers, and mentorships that yield positive career growth. The U.S. Women in Nuclear national conference is ideal for individuals working in all aspects of nuclear energy, science, and technology in the United States. The conference provides perspectives from national authorities on key issues and professional development opportunities to grow your career.

Aug 28-Sep 1, 2022

PATRAM22

Location

Nice Acropolis Congress Center, France

Sponsor

Institute of Nuclear Materials Management (INMM)

Description

The PATRAM Symposia is the only international event dedicated to the exchange of information for packaging and transportation of radioactive materials and therefore presents a unique opportunity for the entire professional community as Industrials and Authorities. This year's meeting will be held at the Nice Acropolis Congress Center, France, from August 28 through September 1, 2022.

Sep 7-9, 2022

World Nuclear Association Symposium 2022

Location

Park Plaza Westminster Bridge, London, UK

Sponsor

World Nuclear Association

Contact

Ana Rodriguez

Description

On 7-9 September 2022, top nuclear industry leaders, experts and executives will come together in London, UK, to share information and experience that will elevate nuclear energy as a key contributor in the transition to a clean and sustainable world. We are excited that Symposium 2022 will return to an in-person event and we look forward to welcoming you soon. World Nuclear Association takes the safety of its event attendees and staff seriously. Symposium 2022 will be held in accordance with the UK government guidance on COVID-19. If that guidance prevents the Symposium taking place in person, all delegates will be offered a full refund on Symposium fees.

Sep 12-13, 2022

5th Central & Eastern Europe Nuclear Industry Congress (CEE 2019)

Location

Prague, Czech Republic

Sponsor

SZ&W Group

Contact

Christine Guan

Description

The 7th Central & Eastern Europe Nuclear Industry Congress 2019 will take place in Prague, Czech Republic to bring together companies involved in all areas of the nuclear power plant life cycle to address cutting-edge issues and emerging trends which affect and even lead the nuclear industry. Governments, regulators, utilities/operators, reactor vendors, decommissioning contractors, waste management agencies, technology & service providers and other organizations will share valuable insights into the most important aspects of new build, life extension & decommissioning projects as well as radioactive waste handling.

Oct 9-13, 2022

TopFuel 2022

Location

Renaissance Raleigh North Hills, Raleigh, NC

Sponsor

ANS

Contact

Janet Davis

Description

TopFuel 2022 is the preeminent international meeting on new developments in LWR fuel performance held every year, alternating between Asia, Europe, and the U.S. This year, ANS is hosting the conference at the Renaissance Raleigh North Hills Hotel in Raleigh, NC, from October 9-13, 2022.

Oct 16-18, 2022

International Uranium Fuel Seminar

Location
Caesars Palace, Las Vegas, NV, USA

Sponsor
NEI

Contact
Nima Ashkeboussi

Description
The NEI's International Uranium Fuel Seminar 2022 will be held on October 16-18 in Las Vegas, Nevada. The event will examine the changing fuel market, explore current and future needs and provide a forum to examine challenges facing the fuel industry. Speakers from domestic and foreign industry and government will provide perspectives on these market and policy issues.

Nov 1-3, 2022

Asia Nuclear Business Platform

Location
Ritz-Carlton Jakarta, Indonesia

Sponsor
Industry Platform

Contact
Zaf Coelho

Description
Asia Nuclear Business Platform (ANBP) provides a world-class platform to access and gain first-hand insights on the global and especially Asian nuclear market. Now in its 8th year, the conference provides latest updates and addresses hot-button issues while the diversity and seniority of participants facilitates unparalleled networking opportunities. We provide access to key stakeholders from the Asian nuclear market. We work closely with local stakeholders within each country and are able to provide a tailored approach towards each client’s specific business goals within each market that they choose to compete in.

Nov 13-17, 2022

2022 ANS Winter Meeting and Technology Expo

Location
Arizona Grand Resort, Phoenix, AZ

Sponsor
ANS

Description
The 2022 ANS Winter Meeting and Technology Expo, held in Phoenix, Arizona on November 13-17, is a North American nuclear science and technology conference held to expand knowledge, share ideas, and network. The meeting features two embedded topical meetings on 1) Decommissioning, Environmental Science, and Remote Technology and 2) the Topical Meeting on Nuclear Applications of Accelerators.
